

WHY FINANCE, WHY PICK PEAC?

Financing equipment solutions fit for all industries

WHY FINANCE EQUIPMENT?

Nearly 8 in 10 small businesses utilize some form of equipment financing.* Whether it's used to replace obsolete equipment, update software or revamp entire systems, equipment financing can help businesses grow faster and easier.

FINANCING HELPS CUSTOMERS:

- Obtain and implement new technology
- Preserve existing credit lines and business capital
- Take advantage of potential tax incentives through IRS 179
- Gain flexibility to replace old equipment with new solutions at any time

WHY PEAC SOLUTIONS:

As the world's largest independent equipment financing provider, PEAC is at the top of our industry.

We're the small business lender who believes in sweat equity, and understands that when opportunity knocks, it's best to open the door. PEAC stands beside our partners and customers, providing equipment and software financing solutions and support.

PEAC has financing solutions to fit any industry. We make it easy for customers to acquire the equipment or software they need quickly and affordably. And as a recognized industry leader with over 25 years of proven experience, PEAC has what it takes to be a trusted financing partner.
